Your tasks:

- In your role, you will support us in the further development and operation of our e-commerce platform.
- You are part of one of our cross-functional teams - whether on-site or remote.
- You will not only develop our platform, but also yourself.

What you bring along:

- Product Owner
- Scrum Master
- UX/UI Designer
- Developer (Frontend, Backend, Mobile)
- DevOps Engineers
- Agile Projektmanager
- Business Analysts
- u.v.m.

What we offer:

Culture

Exchange

Agile Work

We work in flat hierarchies, treat each other as equals. At empiriecom we give you the chance to help shape things and take on responsibility.

With us, you have the opportunity to network and exchange ideas with various experts inside and outside the Otto Group.

We live the agile values and give you the opportunity to work in a self-organized way within your cross-functional team while providing the opportunity to further develop yourself.

Continuing education

We attach great importance to needs-oriented further training measures. Whether technical or personal - let's talk about it together!

Flexibility

From individual development opportunities to flexible working models (time & place) - we will find a suitable solution together with you!

Innovative environment

With us you have the perspective to try out new technologies and methods and to design state-of-the-art e-commerce solutions.
